# How the fund makes money

1. We buy damaged cars — **20–30%** cheaper than the market, through insurance, auctions and urgent buyouts.
2. We repair in **certified services** with quality control.
3. **We sell at a profit** — through cash, credit or leasing. [autotrade.ae](#) [presentation pdf](#)
4. Our company has **export licenses** and can work with clients all over the world:
  - **we buy** in the USA, Korea, Europe and the UAE;
  - **we sell** in the UAE, Europe and Africa.
5. Each stage is optimized for **high profitability** upon resale.

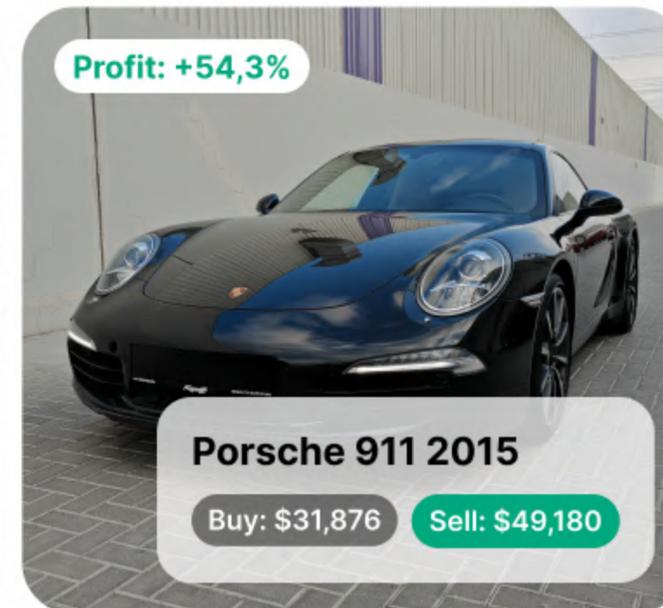

# Restoration and preparation of cars for sale

★ Customers who make a purchase through our service receive a one-year warranty on the car.

1. After purchase, cars are sent for repair to service centers of **reliable contractors**.

2. Through agreements and regular orders, we **reduce the cost** of repair work.

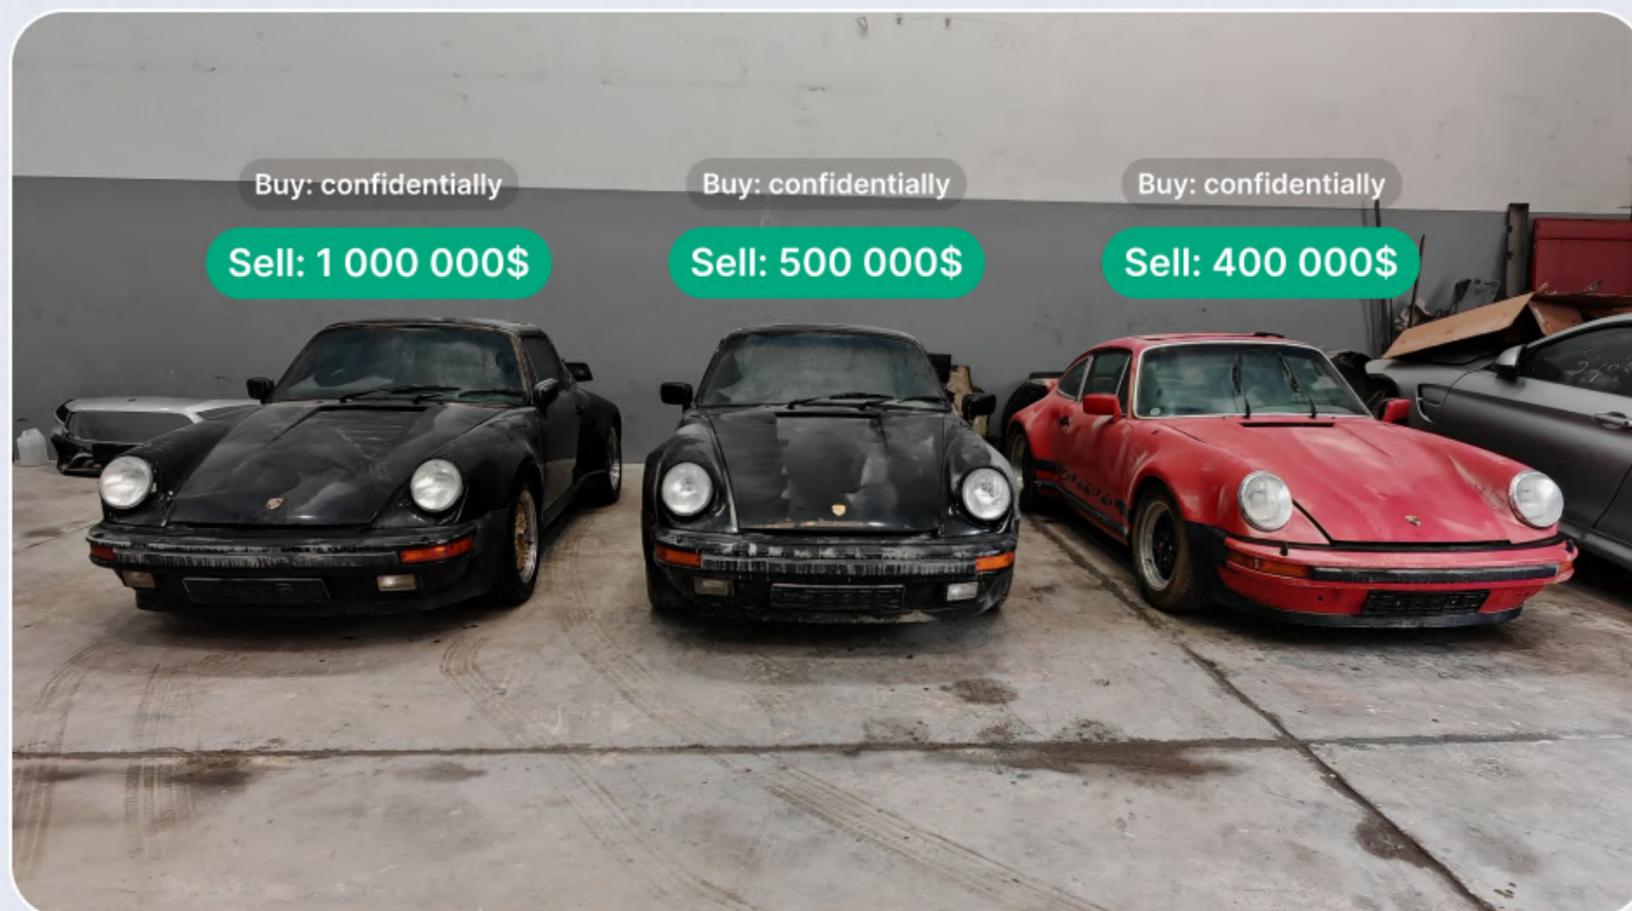

3. **Quality check** before sale, guarantees safety and reliability on the road.

# Restoration of classic cars

**Restoration of rare and collectible cars** is not just a business, but an art that requires attention to detail and a deep understanding of automobile history. We strive to return each car to its original appearance and technical perfection. **In our work, we use only authentic parts and technologies to preserve the historical value of the car.** High demand among collectors makes this segment profitable.

**Classic cars** are true works of art. Their restoration requires more time and attention to detail, but the profit is significantly higher.

# Operational management

🏆 **Our team** consists of experts with **over 10 years of experience** in the automotive industry and investments. We know which models are most in demand, how to minimize risks and effectively manage assets.

📌 **The fund takes on the full management cycle:**

1. Search and purchase of cars
2. Interaction with spare parts suppliers
3. Repair control
4. Accounting
5. Collection of payments from tenants
6. Legal costs and work with insurance companies.
