The process of purchasing cars

Selection of cars.

The initial stage of the business process is the careful selection of cars to be purchased at auctions

Economic efficiency.

Buying cars with minor damage at auctions allows you to purchase vehicles at 20-30% less than the market value

Automotive Business Licenses

All operations comply with legal requirements and the activities are licensed in the UAE, which ensures transparency and reliability of the business.

How the fund makes money

1. We buy damaged cars — **20–30%** cheaper than the market, through insurance, auctions and urgent buyouts.
2. We repair in **certified services** with quality control.
3. **We sell at a profit** — through cash, credit or leasing. [autotrade.ae](#) [presentation pdf](#)
4. Our company has **export licenses** and can work with clients all over the world:
 - **we buy** in the USA, Korea, Europe and the UAE;
 - **we sell** in the UAE, Europe and Africa.
5. Each stage is optimized for **high profitability** upon resale.

Restoration and preparation of cars for sale

★ Customers who make a purchase through our service receive a one-year warranty on the car.

1. After purchase, cars are sent for repair to service centers of **reliable contractors**.

2. Through agreements and regular orders, we **reduce the cost** of repair work.

3. **Quality check** before sale, guarantees safety and reliability on the road.

Restoration of classic cars

Restoration of rare and collectible cars is not just a business, but an art that requires attention to detail and a deep understanding of automobile history. We strive to return each car to its original appearance and technical perfection. **In our work, we use only authentic parts and technologies to preserve the historical value of the car.** High demand among collectors makes this segment profitable.

Classic cars are true works of art. Their restoration requires more time and attention to detail, but the profit is significantly higher.

Operational management

🏆 **Our team** consists of experts with **over 10 years of experience** in the automotive industry and investments. We know which models are most in demand, how to minimize risks and effectively manage assets.

💰 **The fund takes on the full management cycle:**

1. Search and purchase of cars
2. Interaction with spare parts suppliers
3. Repair control
4. Accounting
5. Collection of payments from tenants
6. Legal costs and work with insurance companies.
