The screenshot displays the Glocal translation tool interface. On the left, a sidebar lists target languages: French, Arabic, Ukrainian, Norwegian, and Serbian. The main area shows a 'Translation' section with 'By SEO tags' selected. It lists 24 texts found, with filters for English, French, Spanish, and Chinese. A table shows the translation of SEO tags from English to French:

English	French
H1 Attract customers around the world	Attirer les clientsautou
H2 Glocal SEO: About Search Engine Optimizations.	SEO Glocal: À Propos De Recherche.
H2 Get customers from new countries	Obtenez des clients d
H3 100 countries of traffic	100 pays de trafic
H3 88+ languages for the website to choose	plus de 88 langues po

An 'Add to GLOSSARY' button is visible over the second row. A 'Settings' gear icon is at the bottom left of the interface.
