Joseph Lubin
Co-Founder & CEO

MetaMask is a software-based cryptocurrency wallet used to interact with the Ethereum blockchain and has over 30M active users. Users can access their Ethereum wallet through a browser extension or a mobile app what is very convenient. The company's revenues quadrupled from \$52 million in 2019 to \$218 million in 2021. Everyone thinks ConsenSys is just MetaMask, but the company manages six other leading projects in the market, including Codefi, Diligence Audit, Infura Web3, Quorum Blockchain, Truffle, ConsenSys NFT. It's also important to notice that **Joseph Lubin CEO ConsenSys is the co-founder of the second most capitalized cryptocurrency ETH - Ethereum together with Vitalik Buterin.**
